GREEN MOUNTAIN CABARET

# ABOUT THE CABARET

Glitz, Glamor, Guffaws, and more abound in this cabaret that reminds you of the fantastical fun found in burlesque. Green Mountain Cabaret warms the cockles of your heart--and other areas--while entertaining you with "Sass, Class, and Ass-tronomical Talent!"

Green Mountain Cabaret celebrates and uplifts diversity, and values active anti-racism, anti-oppression, and anti-supremacy practices. Our cast includes members who self-identify as queer, trans, BIPOC, fat, neurodiverse, older, and disabled, reflecting the wonderful richness brought to us by our audience and greater world.

Artistically, Green Mountain Cabaret strives to present a show that is both sensual, comedic, anti-racist, anti-ableist, anti-fat phobia, anti-transphobia, pro-sex worker, and inclusive in nature. Our shows are found every month in Vermont. You'll also see our amazing performers guest appear in many other local and regional shows.

## Mission

Green Mountain Cabaret strives to bring quality entertainment that showcases burlesque dance as the notable form of artistic expression it is while nurturing diverse styles of burlesque and other forms of artistic creativity.

"Collaborating with Green Mountain Cabaret is always a dream. They really strive to create inclusive, diverse spaces that honor the complete identities of both performers and the audience." -Emoji Nightmare

# OUR HISTORY

Green Mountain Cabaret was founded by the "Kryptonite to Clothing," Alexa Luthor. Since 2012, the cabaret and its troupe have been bringing burlesque into the 21st century with a flash of legs, lyrics, and laughs while ensuring the fun happens all through a body liberation lens that highlights consent.

In 2017, founding cabaret members Ginge O'Lolly and Doctor Vu stepped up to lead the cabaret as Owner/Producer and Production Assistant, respectively. Ginge O'Lolly produces the cabaret shows at a variety of venues across the state as well as bringing the troupe to out-of-state festivals. Doctor Vu serves as Vermont's foremost burlesque instructor, running popular class series that focus on burlesque movement, chair work, fan work, dance, and the art of slow seduction.

Currently, Green Mountain Cabaret appears in its premier shows at Main Street Landing in Burlington and monthly in the popular, Seven Daysies Nominated, Untapped shows at Monkey House in Winooski. Annually we produce a show focused on new performers open to anyone with 2 years or less of experience. Additional shows and appearances are scheduled throughout the entire year.

**Remember, when you visit Green Mountain Cabaret, expect to "Enjoy the View!"**

"The Green Mountain Cabaret Shows are a feast for the senses. The performances are not only artistic and engaging, but they are also empowering. Hearing the audience genuinely cheer and support the performers on stage fills my heart with muse-like inspiration. This is a place for titillation, make no mistake, but it is also a place of skill, motivation, and creativity. Each act is unique, ranging everywhere from emotionally stirring to laugh out loud funny to evocative, and oftentimes a mix of all three. The Cabaret captures the true artistry of burlesque, and I leave each show excited for the next." - Clarke Collins

# Why Sponsorship is Important

## Setting

Green Mountain Cabaret's (GMnC's) goal is to provide inclusive, diverse representation on stage in safe venues with a welcoming atmosphere. This includes settings that can provide: crowd capacity; inclusive seating options for differently-abled and large-bodied audience members; sound and lighting capabilities; backstage privacy for performers to get ready and change; and food/drink options.

We have a limited number of local venues who can meet our goal and host our productions. These venues come at a steep price to GMnC, who must pay for the location up front. Generous sponsorship allows us to book shows regularly; and a regular schedule encourages repeat and new audience growth.

## Equity

GMnC values and elevates traditionally marginalized performers, including Black, Indigenous, and People of Color. Within our society's economic systems, pay structure continues to be unequal across gender, race, and sexual orientation(1). One of our core values is to pay our performers an equitable wage, while at the same time keeping ticket prices low and affordable to prevent cost as a barrier for those wishing to attend a show.

## Visibility

"All Bodies Are Burlesque Bodies"

If you've ever attended a GMnC show, you've probably heard this rallying cry from one of our hosts. Audience members benefit from seeing every version of themselves on stage, especially those bodies typically made invisible by society's standards. Sponsorship attracts a variety of performers to work with us, which in turn elevates diversity across our community.

"Green Mountain Cabaret has consistently provided warm and welcoming spaces not only to their performers but to the community. Seeing multiple identities and walks of life reflected both in those who are apart of the group or regularly work with the group as well as those who show up to watch the amazing shows that get produced, shows the dedication that Green Mountain Cabaret has to being inclusive." -Rhedd Rhumm
